

Informational Questionnaire from Ritual Committee

In order to better serve our members, improve the flow of our services, and encourage wider participation in Kl ritual life, the Ritual Committee requests the following information for each member (including all children 12 or older):

1. Names: English and Hebrew

Along with the English name(s), please provide the Hebrew (or Yiddish) names for family members who have them as well as the Hebrew (or Yiddish) names of the person's mother and father, if appropriate. The ritual leader will use the Hebrew name when calling members to the Torah for an aliyah. (Having this information in advance will avoid interrupting the flow of the service for those who are called for an aliyah.)
